- **Domain Expertise:** Workforce Management (WFM) Tool Administration, Global Shared Services, Vendor Billing & Invoicing Systems, Healthcare Data Compliance (HIPAA, RxClaim).

Professional Experience

Team Lead – Global Data Analytics

Accenture Inc. | Manila, Philippines | 08/2025 – Present

- Lead a global analytics team delivering end-to-end reporting and strategic business intelligence across multi-regional enterprise units to support C-suite decision-making.
- Partner cross-functionally with product, operations, and engineering leaders to translate complex business challenges into quantifiable KPIs and interactive Power BI dashboards.
- Establish enterprise data governance standards and comprehensive QA check frameworks, reducing reporting error margins and standardizing multi-regional delivery cadences.

Assistant Manager – Global Workforce Optimization

Citibank N.A. – ROHQ | Manila, Philippines | 11/2022 – 06/2025

- Direct strategic capacity planning and resource allocation for Manila-based shared services operations supporting up to 1,000 FTEs across global delivery sites.
- Manage and coach a team of 4 full-time data analysts (FTEs), directing daily workload distribution, operational support, and key performance reviews.
- Architect and deploy automated Excel-based dashboards to track real-time SLA adherence, operational capacity utilization, and staffing metrics.

Workforce Analyst – Central Reporting

Optum Global Solutions | Manila, Philippines | 05/2022 – 11/2022

- Supervised international vendor invoicing and financial tracking systems across global delivery sites in the Philippines, India, and Puerto Rico.
- Engineered automated overtime billing systems and executive operational dashboards using VBA, improving monthly reconciliation speed.

System Front-End Administrator

Optum Global Solutions | Manila, Philippines | 01/2019 – 05/2022

- Administered enterprise web-based WFM platforms, collaborating with developer teams on system upgrades, security protocols, and enhancements.
- Designed and launched strategic business intelligence dashboards tailored for regional site operational leadership.

Reporting Analyst – Quality Team

Optum Global Solutions | Manila, Philippines | 05/2018 – 01/2019

- Provided centralized reporting infrastructure and administrative analytics support to people managers, ensuring high data accuracy for executive presentations.

Early Career History

Optum Global Solutions & Financial Services / BPO Operations | Manila, Philippines | 2012 – 2018

- **Medicare and Retirement Advocate** | Optum Global Solutions (10/2016 – 05/2018)
- **Senior Specialist – Branch Operations Support** | JPMorgan Chase N.A. (05/2016 – 10/2016)
- **Support Associate** | Convergys Philippines Inc. (06/2014 – 03/2016)
- **Customer Service Representative** | Sutherland Global Solutions (09/2012 – 09/2013)

Education

Bachelor of Science in Accounting Technology (Undergraduate)

University of the East Caloocan | Caloocan, Philippines | 2009 – 2012
